

## Explorers Playgroup.

A playgroup for families with children (0 – 5 years) who have a disability, suspected disability or developmental delay. We provide play based support and early intervention for families. New families are always welcome, no referral necessary.

### Benefits for parents:

- Information to link in with other services in the community.
- Opportunity to seek advice about your family's needs or your child's development.
- Speech Pathologist and Occupational Therapist participating every week.
- Connect with other parents.
- Information sessions on topics selected by parents.
- Support to prepare for the NDIS.

### Benefits for children:

- Opportunity to learn through play with family, other children and therapists.
- Develop and practice skills in a range of areas.
- Prepare for attending kindergarten or school.
- They have FUN!
